CERNIERA MASTER

2016

2015

2010

Siamo a Castellana Grotte, in Puglia, a sud-est di Bari, quando l'incontro tra due imprenditori, da origine ad un vero e proprio sogno nel campo della meccanica: cominciare a produrre **accessori per serramenti in alluminio**.

E' il 1986 quando prende il via l'industrializzazione del primo prodotto di Master, la **squadretta in acciaio 0101**. In poco tempo, arriva un'ulteriore innovazione, nasce la nuova squadretta Kiara e vista l'importanza e la necessità di tutelare la proprietà intellettuale della nuova soluzione trovata, si registra il **primo brevetto**, creando importante valore per la società. La crescita continua e nel 1992 si dà avvio alla produzione della **prima cerniera** Master. Siamo nel 1993, per il gruppo imprenditoriale arriva il grande investimento: acquisto dell'area nella zona industriale di Conversano. Nel 1998 viene assunto il primo ingegnere e con il suo aiuto si intraprende una nuova sfida: progettare e produrre **squadrette pressofuse**.

Agli inizi degli anni 2000, il fatturato varca per la prima volta la soglia dei **10 milioni di euro**. Master passa così da piccola a media impresa.

Il tema dell'internazionalizzazione diventa subito una scelta strategica per crescere, arriva in azienda il primo **Export Manager**.

E' l'anno 2002 quando il numero dei dipendenti tocca la quota delle **100 unità**.

Proseguono gli investimenti in ricerca, sviluppo e

*Thirty years ago, two entrepreneurs met in Castellana Grotte, a little town in the southeastern area of Bari (Apulia). Thanks to a new idea, **aluminium solutions for windows and doors**, the milestone of a dream is welcomed.*

*In 1986 MASTER starts with the industrialization of the first product, a **steel corner joint ref. A0101**.*

*In a short time, with the new Kiara corner joint, Master makes another step towards innovation: the **first patent** gives more value to the company. The growth continues and, in 1992, Master produces the **first hinge**.*

*In 1993, the project of the future manufacturing plant comes to life. The purchasing of an area in the industrial zone of Conversano. In 1998, Master takes on its first engineer. It is time to launch a new product: the **die-cast aluminium corner**.*

*The beginning of the third millennium marks the first important outcome about turnover: **10 millions of euros**. Master becomes a medium-sized enterprise.*

The national competitors are increasing. The company needs its first Export Manager.

In 2002, the company counts a number of 100 employees.

*In 2008, the newborn **MasterLab** represents the heart of research and development, together with the laboratory test.*

The investments in research are increased, and Ma-

2000

2010

2008

2002

innovazione. Nel 2008 nasce **MasterLab**, il centro di ricerca e progettazione con laboratorio prove risultato dell'esperienza Master a supporto:

- delle attività di progettazione dei nuovi prodotti;
- per il costante miglioramento delle performance;
- per l'industrializzazione e l'ingegnerizzazione dei cicli di lavorazione delle nuove produzioni.

Corre l'anno 2010, quando il giorno **16 novembre** tutta la comunità da l'addio al fondatore **Giuseppe**, questo evento segna un importante passaggio di consegne: la missione di continuare a fare eccellenza e impresa va a **Maria Luigia, Michele e Leonardo**.

Nel 2013, superate le **200 unità lavorative** e intrapresa una nuova fase di complessità imprenditoriale, contemporanea ad una fase di forte turbolenza dei mercati, si avvia un cambiamento organizzativo e metodologico orientato al miglioramento continuo. Si intraprende così, il **metodo di innovazione Lean**.

Dicembre 2015, il modello di rilevazione della soddisfazione dell'organizzazione, misura un sensibile incremento dell'indice di benessere organizzativo, il cambiamento positivo è iniziato.

Oggi nasce **Master Italy**, un nuovo sogno, una sfida che guarda lontano, un progetto ambizioso e tecnologicamente avanzato che mira ad una crescita strutturata sui mercati internazionali.

ster's experience focuses now on:

- Activities and projects for new productions;
- Continuous improvement in performances;
- Industrialization and engineering management in the production cycle.

On **November 16, 2010** the whole Master group embraces the family Lacatena, because of the death of its founder **Giuseppe Lacatena**.

Maria Luigia Lacatena, Michele Loperfido and Leonardo Lacatena undertake the mission to carry on the excellence and the business of the company.

In 2013, despite the fluctuations of the markets, the **employees are more than 200**, and the company introduces some important structural changes in organization and in its entrepreneurial attitude: to reach the new main goal, the continuous improvement, the chosen **method is the "Lean"**.

On December 2015, the internal survey about the internal organization reveals a tolerable increase of the organizational wellness: the change towards the improvement has started.

Today **Master Italy** comes to life: it is a new dream, a new challenge that looks forward. It is an ambitious project that wants Master in a leading position on the international business scenery.

LE CERTIFICAZIONI

THE CERTIFICATIONS

ISO 9001:2008

Il miglioramento continuo come requisito del Sistema Azienda, il sostanziale riferimento ai clienti e alla loro soddisfazione, le risorse umane e la loro specializzazione certificano Master ISO 9001:2008. Questa certificazione valorizza lo sforzo compiuto da sempre per assicurare qualità ai prodotti ed ai servizi, sempre nell'obiettivo di soddisfare al meglio le esigenze della clientela.

Continuous improvement required by the Company Quality Management System, utmost attention to customers, to their complete satisfaction, to our human resources and to their specialization all contribute to the company's ISO 9001:2008 certification, which highlights our consistent effort to guarantee quality products and services with the aim of best responding to our customers' needs.

UNI EN ISO 14001

Master inoltre persegue una crescita ecosostenibile, integrando i principi di gestione ambientale nello sviluppo dei prodotti e nella gestione dei processi. Per questo ha avviato un sistema di gestione ambientale conforme alla UNI EN ISO 14001, norma internazionale di carattere volontario.

Master also pursues an environmentally sustainable growth, integrating the best principles of environmental management into our product development and process management. Accordingly, it has launched an Environmental Management System in compliance with the voluntary international standards of UNI EN ISO 14001.

LIFE CYCLE ASSESSMENT

Master ha adottato il Life Cycle Assessment (LCA) metodo che valuta l'insieme di interazioni che un prodotto ha con l'ambiente, considerandone il suo intero ciclo di vita che include: le fasi di pre-produzione (quindi anche estrazione e produzione dei materiali), produzione, distribuzione, uso (quindi anche riuso e manutenzione), riciclaggio e dismissione finale. La procedura LCA è standardizzata a livello internazionale dalle norme ISO 14040 e 14044.

Master has adopted the Life Cycle Assessment (LCA) method, which evaluates the set of interactions that a product has with the environment, considering its entire lifecycle. This concerns all the phases of pre-production (i.e. the extraction and production of materials), manufacturing, distribution, use (inc. reuse and maintenance), recycling and final disposal. This LCA procedure is internationally standardized by ISO 14040 and 14044.

MASTERLAB: IL CENTRO DI RICERCA E PROGETTAZIONE CON LABORATORIO PROVE

MASTERLAB: RESEARCH AND DESIGN CENTRE WITH LABORATORY TESTING

Le innovazioni del Gruppo Master hanno origine in MasterLAB, il centro di ricerca e progettazione con laboratorio prove nato nel 2008 per rispondere all'evoluzione normativa riguardante i serramenti e a quella sempre più rapida dei mercati. In MasterLAB, dotata dei più moderni strumenti software, metodologici e sperimentali, si sviluppano attività:

- di ricerca, studio e progettazione, sperimentali e di sviluppo, di assistenza al cliente:

MasterLAB è in possesso di 42 brevetti/modelli di utilità, molti dei quali depositati a livello internazionale.

The innovations of the Master Group originate in MasterLAB, the research and design centre with full laboratory testing created in 2008 to meet evolving legislation for windows and doors and the ever rapidly changing market. MasterLAB, equipped with cutting-edge software, methodological and experimental tools, develops activities such as:

- *Experimental, development and customer service research, study and design.*

MasterLAB is in possession of 42 patents/utility models, many of which deposited at the international level.

PROGRAMMA PER LA VALUTAZIONE
DELL'IMPRONTA AMBIENTALE

MINISTERO DELL'AMBIENTE
E DELLA TUTELA DEL TERRITORIO E DEL MARE

› **MASTER partecipa al programma per la valutazione dell'impronta ambientale promosso dal Ministero dell'Ambiente.**

Master continua l'impegno nella sua politica green firmando l'accordo volontario con il Ministero dell'ambiente in cui si impegna, come prima azienda del settore degli accessori per serramenti, a definire una metodologia di calcolo delle emissioni di CO2 per poter ideare e approntare azioni di miglioramento e di riduzione nella sua filiera produttiva.

› **MASTER takes part in the agrmment with the Ministry of Environment to reduce the enviromental impact.**

Master signed a voluntary agreement with the Ministry of Environment in which they undertake, as the first company in the industry of doors and windows accessories, to define a methodology for calculating CO2 emissions in order to devise and prepare actions for improving and reducing the emissions in the production process.

Master è socio di
GBC Italia

› **Cos'è LEED®**

Non esiste un protocollo LEED ma una serie di protocolli accomunati da uno schema concettuale comune, diversificati in funzione della tipologia di edificio. È un sistema nato in America e di diffusione internazionale. Il processo di certificazione prevede la presenza di un ente terzo, il Green Building Certification Institute (GBCI), quale ente certificatore super partes rispetto all'Ente normatore, il Green Building Council (GBC), e al gruppo progettazione/realizzazione.

› **About LEED®**

There ins't a LEED protocol but a set of protocols sharing a common conceptual framework, diversified depending on the type of building. It is a system born in America and spread internationally. The certification process requires the presence of a third party, the Green Building Certification Institute (GBCI) as a certification authority super partes respect to Institute giving norms, the Green Building Council (GBC), and the design / realization group.

FINESTRE DI SUCCESSO

WINDOWS OF SUCCESS

“Finestre di successo” è la rubrica di masteritaly.com dedicata all'eccellenza dell'industria italiana dei serramenti. In questa sezione si riportano ogni mese i casi di successo e le migliori realizzazioni effettuate dai produttori italiani di serramenti che utilizzano gli accessori Master, con l'intento di dare la giusta visibilità a coloro che da sempre hanno fatto della qualità e della professionalità i valori fondanti del proprio lavoro.

“Saper fare bene le cose per il proprio piacere: una regola di vita semplice e rigorosa che ha consentito lo sviluppo di tecniche raffinatissime e la nascita della conoscenza scientifica moderna. Perché chi sa governare se stesso e dosare autonomia e rispetto delle regole, non solo saprà costruire una meravigliosa facciata, un orologio dal meccanismo perfetto o un ponte capace di sfidare i millenni, ma sarà anche un cittadino giusto”.

“Windows of Success” is the column on masteritaly.com dedicated to the excellence of the Italian window and door industry. Every month, in this column, we talk about success stories and the best achievements reached by Italian window and door manufacturers who use Master accessories, with the intent to give the right visibility to those who have always made quality and professionalism. Knowing how to do things well for your own pleasure: a rule of life. The core values of their work.

“Being able to do things well for your own pleasure: a rule of a simple and rigorous life that has allowed for developing refined techniques and giving rise to modern scientific knowledge because those who know how to govern themselves and dose autonomy, while respecting rules, not only will build a wonderful facade, a watch with a perfect mechanism, or a bridge capable of challenging millennia, but will also be a righteous citizen”.

FINITURE FINISHES

1 FINITURA GREZZA

2 FINITURE TEK - SPECIALI - PVD:

- Finitura vintage "old": bronzo, argento (vedi nota tecnica "7");
- Trattamento goldfinish: oro, inox, inox satinato;
- Finiture speciali: effetto titanio;
- Pvd: ottone pvd, inox satinato pvd.

3 OSSIDAZIONE ANODICA:

- Oro lucido, inox satinato, argento, bronzo.
- Argento satinato, argento lucido, oro lucido (solo per maniglioni in alluminio estruso).

4 VERNICIATURA (RAL1):

RAL 9010 (bianco) - RAL 9010OP (bianco opaco)
RAL 1013 (avorio) - RAL 1013OP (avorio opaco)
AVOR (avorio scuro) - nero opaco.

5 VERNICIATURA IN ALTRI COLORI (RAL2):

RAL 7001 grigio argento - RAL 6360 verde gotico - bronzo - RAL 9003 bianco - RAL 9001 avorio chiaro - RAL 3976 - marrone Gotico - marrone raggr. - RAL 8017 marrone - RAL 9005 nero - argento - verde scuro raggr. - RAL 6005 verde RAL 8019 marrone grigio - RAL 9420 grigio gotico - Marrone opaco - RAL 9006 argento - inox - RAL 6005OP Verde Opaco - VGRAY (Grigio Metallico).

6 VERNICIATURA SPECIALE:

argento*, bronzo*
*Effetto ossidato

NOTE TECNICHE:

- 1 Non utilizzare accessori in acciaio zincato, in finitura Gold finish oppure verniciati nei pressi di ambienti particolarmente aggressivi come ad esempio zone vicino al mare e simili.
- 2 La pulizia degli accessori deve essere effettuata esclusivamente con detergenti a base neutra al fine di non comprometterne il rivestimento superficiale.
- 3 I particolari in acciaio inox sono in AISI 430F, salvo diversa indicazione.
- 4 Le confezioni delle cerniere Top Rapid + sono da 50 pezzi, escluso le versioni in finiture TEK che sono da 25 pezzi.
- 5 Le confezioni delle cremonesi e delle martelline sono da 20 pezzi, ad esclusione delle versioni in finiture TEK che sono da 5 pezzi.

1 MILL FINISH

2 TEK - SPECIAL - PVD FINISHES:

- "Old" vintage finishes: bronze, silver (see technical note n° "7");
- Goldfinish treatment: gold, inox, satin inox;
- Special finishes: titanium
- Pvd: pvd brass, pvd satin inox.

3 ANODIZED COLOURS:

- Shiny gold, satin inox, silver, bronze.
- Satin silver, shiny silver, shiny gold (only for extruded aluminium big handles).

4 PAINTING (RAL1):

RAL 9010 (white) - RAL 9010op (mat white)
RAL 1013 (ivory) - RAL 1013OP (mat ivory)
avor (dark ivory) - mat black.

5 PAINTING IN OTHERS COLOURS (RAL2):

RAL 7001 silver grey - RAL 6360 gothic green - bronze - RAL 9003 white - RAL 9001 light ivory - RAL 3976 - gothic brown - wrinkled brown - RAL 8017 brown - RAL 9005 black - silver - dark wrinkled green - RAL 6005 green - RAL 8019 grey brown - RAL 9420 gothic grey - mat brown - RAL 9006 silver - inox - RAL 6005OPmat green - VGRAY (metal grey).

6 SPECIAL PAINTING:

silver*, bronze*
*Anodized effect

TECHNICAL NOTES:

- 1 Do not use galvanized steel accessories, with Gold finish treatment, or painted, near high salinity places, such as sea and similar areas.
- 2 The accessories must be treated only with neutral cleaner to not damage the surface finishes.
- 3 The stainless steel parts are in AISI 430 F, except different indication.
- 4 "Top Rapid +" hinges are packed in boxes of 50 pcs, excluding "TEK" finishes that are packed in boxes of 25 pcs each.
- 5 Cremonese-bolts and handles are packed in boxes of 20 pcs, excluding "TEK" finishes that are packed in boxes of 5 pcs each.
- 6 Double handles are packed in boxes of 15 pairs, excluding "TEK" finishes that are packed in boxes of 5 pairs.

- 6 Le confezioni delle doppie maniglie sono da 15 coppie, ad esclusione delle versioni in finiture TEK che sono da 5 coppie.
- 7 Gli accessori della linea "OLD STYLE" sono disponibili nelle sole finiture RAL1, RAL2 e Vintage OLD.
- 8 Le confezioni delle doppie maniglie LINEA ITALIA sono da 5 coppie, ad esclusione delle versioni in FINITURE SPECIALI, PVD e TEK che sono da 2 coppie.

INFORMAZIONI:

Indipendentemente dal peso della porta, per porte sottoposte ad un intenso utilizzo come nel caso di edifici aperti al pubblico, porte con chiudiporta o porte ad azionamento motorizzato il limite di impiego è limitato a H 3000 e L 1400 con l'utilizzo della terza o quarta cerniera (cerniera blu) come da diagramma.

Whatever the door weight, doors subject to heavy duty, such as public building, doors with closers or automatic doors have a limited range of application limited to H 3000 and L 1400 and must be fitted with an addition hinge (blue hinge) as in the diagram.

ART	PORTATA LOAD CAPACITY

		L								

Indipendentemente dal peso della porta, per porte sottoposte ad un intenso utilizzo come nel caso di edifici aperti al pubblico, porte con chiudiporta o porte ad azionamento motorizzato il limite di impiego è limitato a H 2200 e L 1000 con l'utilizzo della terza o quarta cerniera (cerniera blu) come da diagramma.

Whatever the door weight, doors subject to heavy duty, such as public building, doors with closers or automatic doors have a limited range of application limited to H 2200 and L 1000 and must be fitted with an addition hinge (blue hinge) as in the diagram.

- Esempio
1. Dim. LxH (WxH) 1200x2200 = 100% Portata 2 cerniere (Load Capacity 2 hinges)
 2. Dim. LxH (WxH) 1200x2300 = 100% Portata 3 cerniere (Load Capacity 3 hinges)
 3. Dim. LxH (WxH) 1400x2800 = 100% Portata 4 cerniere (Load Capacity 4 hinges)

I diagrammi hanno validità per spessore profili (Load charts is for profiles thickness) \geq 1,5 mm

ART.	PORTATA LOAD CAPACITY
352X.7X	100% = 80 Kg

CARRELLI IN NYLON 1 CUSCINETTO

Carrelli in nylon 1 cuscinetto | 1-bearing nylon rollers
Chariots en nylon 1 roulement | Ruedas de nylon con 1 cojinete

Dado, grano e vite di regolazione in acciaio zincato; corpo carrello in nylon; cuscinetti a sfera.

Nut, setscrew and adjustment screws in galvanized steel; roller body in nylon; ball bearings.

Écrou, grain et vis de réglage en acier zingué; corps chariot en nylon; roulements à billes.

Tuerca, prisionero y tornillo de regulación de acero galvanizado; cuerpo rueda de nylon; cojinete de bolas.

Alignment corners in nylon or aluminium, nylon shock-absorber elements, plugs and drainage bushes; extruded aluminium central sealing element, roller with nylon external support, galvanized steel internal support and bearing in tempered steel covered by nylon with glass fiber. Load of the roller: 90 kg per sash.

Equerres d'alignement en nylon ou aluminium; tasseaux amortisseur, bouchons cache-usinage et clapet d'évacuation en nylon; tasseau étanchéité en aluminium extrudé; chariots avec support extérieur en nylon, support intérieur en acier zingué et roulements à billes en acier trempé revêtus en nylon avec fibre de verre. Portée chariots: 90 kg chaque vantail.

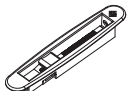

Escuadras de alineación en nylon o aluminio, tacos amortiguadores, tapas y tapas de salida de agua en nylon; taco retenedor central en aluminio extruido; ruedas con exterior en nylon y interior en acero galvanizado, y bolas en acero templado cubrido con fibra de vidrio. Carga máxima de las ruedas: 90 kg por hoja.

CONDIZIONI DI VENDITA, GARANZIA PRODOTTI E LIMITAZIONI DI RESPONSABILITÀ

SALE CONDITIONS, PRODUCT GUARANTEES AND LIMITATION OF LIABILITY

1. CLAUSOLA GENERALE

La vendita dei prodotti di Master Italy Srl (di seguito "Prodotti") è regolata dalle seguenti Condizioni Generali di Vendita (di seguito "CGV") che con l'emissione dell'ordine da parte del Cliente si intendono automaticamente accettate e costituiscono parte integrante del rapporto contrattuale tra Master Italy Srl (di seguito "MASTER") ed il Cliente. Qualsiasi modifica, aggiunta o deroga è valida soltanto nel caso in cui sia stata accettata per iscritto da MASTER.

2. CONCLUSIONE DEL CONTRATTO, CONSEGNA E PASSAGGIO DEL RISCHIO

Gli ordini di acquisto devono essere trasmessi per iscritto. La vendita si intende conclusa nel momento in cui MASTER abbia confermato per iscritto l'ordine pervenuto dal Cliente.

Il termine di consegna è calcolato in giorni lavorativi e decorre dalla data di accettazione dell'ordine da parte di MASTER, sempreché siano pervenuti a MASTER tutti i dati occorrenti per la corretta esecuzione della vendita.

I termini per le consegne e il conseguente passaggio del rischio sono quelli indicati nella conferma d'ordine o fissati da diversa pattuizione scritta tra le Parti, fatto salvo eventuali ritardi dovuti a cause di forza maggiore. Nessun ritardo può costituire motivo per la richiesta di annullamento dell'ordine o di risarcimento di danni o di mancati utili, né la merce può essere rifiutata per tale causa. Per ordini di valore inferiore a 1.000 Euro (IVA esclusa) i costi di trasporto saranno sempre a carico del Cliente.

MASTER si riserva il diritto di evadere l'ordine anche attraverso consegne parziali, salvo espressa diversa pattuizione tra le parti.

3. GARANZIE E RESPONSABILITÀ

Tutti i Prodotti sono garantiti nei termini di legge per difetti relativi a materiali e lavorazioni.

MASTER garantisce che i Prodotti sono di elevata qualità, privi di difetti nei materiali e nella lavorazione e corrispondono alle specifiche tecniche indicate.

I Prodotti sono coperti da garanzia a condizione che risultino applicati ed installati in osservanza alle prescrizioni tecniche per l'uso dei prodotti riportate nel presente Catalogo, nelle istruzioni contenute nella confezione, sul sito web aziendale www.masteritaly.com e comunque richiedibili al Customer Service Tecnico Master all'indirizzo email infotech@masteritaly.com ed al numero di telefono +39 080 4959823. La Garanzia non sarà applicabile in caso di manomissione di qualsiasi natura sui Prodotti.

Tutti i prodotti Master devono essere montati e/o installati da personale competente e qualificato che

1. GENERAL CLAUSE

The sale of Master Italy Srl products (hereinafter "Products") shall be governed by the following General Sale Conditions (hereinafter "Conditions") and the customer accept them by confirming the order. Such Conditions regulate the contractual relationship between Master Italy Srl (hereinafter "MASTER") and the Customer. Any modification, addition or derogation shall be valid only if MASTER has accepted it in writing.

2. CONCLUSION OF THE AGREEMENT, DELIVERY AND TRANSFER OF RISK

Purchase orders must be sent in writing. The sale can be considered concluded once MASTER confirms in writing the order received from the Customer. The delivery time is calculated in business days and starts from the date of acceptance of the order by MASTER, provided that MASTER has already all the necessary details to properly process the sale.

The delivery time and the consequent transfer of risk are those indicated in the proforma or established by another written agreement by the parties, except for any delays due to force majeure. No delay shall be a reason to cancel the order or to claim damages or loss profit. In addition, the Products may not be rejected for such reason. For orders amount less than 1.000 Euros (excluding VAT), transport costs will always be charged to the Customer.

MASTER reserves the right to deliver the order even through partial deliveries, unless otherwise agreed between the parties.

3. GUARANTEES AND LIABILITIES

All the Products are guaranteed in accordance with laws about defects in materials and manufacturing.

MASTER guarantees that the Products comply with the highest quality standards, free from defects in materials and manufacturing and in accordance with the provided technical specifications.

The Products are covered by guarantee, provided that they are installed and maintained in accordance with the technical provisions for the product use that are indicated in this Catalogue, in the instructions included in the package, on the company website www.masteritaly.com. However, the instructions can be requested to Master Technical Customer Service (email address infotech@masteritaly.com; phone number +39 080 4959823).

The guarantee shall not apply in case of any kind of alteration of the Products.

All MASTER Products must be assembled and/or installed by qualified and expert staff working in the field of doors and windows. There is no use of the

SALE CONDITIONS, PRODUCT GUARANTEE AND LIMITATION OF LIABILITY

1/2

svolga attività professionale nel settore dei serramenti. Non è previsto un uso dei Prodotti diverso da quello per cui tali Prodotti sono stati progettati e fabbricati. MASTER è, quindi, sollevata da ogni e qualsiasi responsabilità a qualsiasi titolo, derivante dall'utilizzo improprio dei Prodotti.

Limitatamente alle finiture superficiali, la presente Garanzia non è applicabile in caso di difetti sopravvenuti, in particolare nel caso di finiture o superfici che abbiano mutato la loro condizione originaria a seguito di: i) utilizzo di spazzole e/o prodotti abrasivi o aggressivi per la pulizia; ii) danni causati da graffi e/o abrasioni; iii) in caso di alterazioni, installazioni improprie, atti vandalici ed in ogni caso di non corretto utilizzo; iv) danni da fuoco o altri eventi accidentali; v) mancata manutenzione come da indicazioni del Produttore; vi) applicazione in ambienti esterni entro 10 Km dalla costa o altre cause legate ad ambienti salini; vii) esposizione a solventi, agenti chimici o ad ambienti chimicamente aggressivi.

Con riferimento ai prodotti semilavorati e/o non verniciati Master declina ogni responsabilità per eventuali anomalie che dovessero verificarsi a seguito di processi produttivi e/o modificativi del prodotto stesso, posti in essere da terzi successivamente alla consegna da parte di Master Italy srl.

4. RECLAMI E DIFETTOSITÀ PRODOTTI

Qualora al ricevimento dei Prodotti, il Cliente verifichi la non conformità, eventuali reclami per vizi e difetti apparenti e non dei Prodotti dovranno essere proposti per iscritto dal Cliente entro 8 (otto) giorni dalla scoperta dei vizi ed i particolari difettosi dovranno essere resi a MASTER, unitamente alla prova di acquisto (fattura e bolla di vendita).

MASTER, a seguito della segnalazione ricevuta, si riserva di effettuare una propria valutazione sulla base dei campioni forniti ed ove necessario di sopralluogo. Qualora ne venga accertata la difettosità, gli eventuali pezzi riconosciuti difettosi saranno sostituiti a cura e spese di MASTER. Nessun agente e/o distributore e/o ogni altro intermediario di MASTER è autorizzato ad offrire garanzie ulteriori rispetto a quelle contenute nelle presenti CGV. In ogni caso la responsabilità di MASTER e dei suoi agenti e/o distributori e/o ogni altro intermediario, è limitata all'importo massimo del prezzo di vendita del Prodotto. Restano escluse le spese relative alle operazioni di rimozione e/o sostituzione del prodotto oggetto di un eventuale segnalazione.

5. VARIE

MASTER si riserva il diritto di variare senza alcun preavviso le caratteristiche degli articoli presenti in ca-

Products other than the one for which these Products are designed and manufactured. Therefore, MASTER shall not have any liability whatsoever in connection with the inappropriate installation of the Products.

With reference to the finishes, the guarantee shall not apply when defects occurred, particularly in the event of finishes or surfaces that have changed their original conditions, as a result of: i) use of brushes and/or abrasive or aggressive products for cleaning; ii) damages caused by scratches and/or abrasions; iii) alterations, improper installation, acts of vandalism and in any case of incorrect use; iv) damages by fire or other accidental events; v) lack of maintenance recommended by the Manufacturer guidelines; vi) outdoor installation within 10 Km from the coast or other causes related to salt; vii) exposure to solvents, chemical agents or chemically aggressive environments.

With reference to semi-finished and/or mill finish Products, MASTER shall not have any liability for any anomaly that may occur as a result of production and/or changing processes that modify the Product, carried out by third parties after delivery by Master Italy Srl.

4. COMPLAINTS AND PRODUCTS DEFECTS

Should the Customer, after receiving Products, notice a non-compliance, he shall communicate any claims for faults or apparent defects in writing to MASTER within 8 (eight) days from the date he found out the defect. The defective Products shall be send back to MASTER, along with the proof of purchase (invoice and/or document of transport).

MASTER, following the received complaint, reserves the right to make its own assessment on the basis of the samples provided and of an inspection, if necessary. In case the defect has actually been ascertained, any defective item will be replaced at charge of MASTER. No agent and/or distributor and/or any other person of MASTER are authorized to give further guarantees other than those provided for in these Conditions. In any case, the liability of MASTER and the liability of its agents and/or distributors and/or other third party, should not exceed the sale price of the Product. This does not include the expenses related to the removal and/or replacement of the claimed Product.

5. MISCELLANEOUS

MASTER reserves the right to change without notice the characteristics of the items in the Catalogue, in order to adapt them to technical and/or commercial needs.

Any use of trademarks and/or other distinctive signs property of third parties in the Catalogue or in the Price List meets the purpose of indicate the destination

CONDIZIONI DI VENDITA, GARANZIA PRODOTTI E LIMITAZIONI DI RESPONSABILITÀ
